

# Cambridge Open Days 2014: Education at the Sidgwick Site

- TL:** Schools Liaison Coordinator Jacqui talks to students considering Education
- TR:** The Education Tripos can be studied at 18 Colleges - all over the city
- BL:** Education undergraduate Eddie talks to visitors about his experiences
- BR:** Postgraduate Biljana proudly shows off our information stand for prospective applicants

**Above:** Undergraduate Course Manager Liz Taylor explains how the Education Tripos works.

# Cambridge Open Days 2014: Faculty of Education

**Above:** Undergraduate Course Manager Liz Taylor and Director of Studies Liz Duignan host a question and answer session for visitors, with postgraduate Kenichi and undergraduate Joscha giving the student perspective.

**Below:** Education undergraduate Emma mans the information stand with Kenichi, who not only studied the Education Tripos, but followed this with one of the Faculty's Masters degrees and then completed a PGCE too - a mine of information for our visitors!

**Above:** One of the display boards with lots of information about studying Education.

**Below:** Education undergraduate Emma shares her experiences of the Education tripos with a prospective applicant.
