

Final Conference of the European Research Project 'ChiPE':

The power of children's knowledge: transformative effects in primary classrooms

Keynote Speaker:

Professor Ramon Flecha
University of Barcelona

'Schools as Learning Communities: successful actions for social inclusion'

Presentation of findings from England and Spain with the research team; and experiences from children, teachers, parents and volunteers.

Friday 6th March 2015, 12.45 - 4.30pm
Chancellor's Centre Wolfson College
University of Cambridge

All welcome: whether you are a teacher, parent or anyone else with an interest in children's education

This conference is free and lunch is provided.
