Research for Equitable Access and Learning

15 June 2016

9:30am-6:00pm, Faculty of Education, University of Cambridge

Learning from learning assessments to leave no one behind

This event will use international learning assessment data to:

1. identify lessons for public policy in countries furthest from achieving global goals;
2. highlight innovations in measurement of disadvantage (poverty, gender, and disability);
3. enable researchers to maximise methodological rigour and widen the policy debate.

Register to attend at:
