

Written Tasks for Masters in Research in Second Language Education Applicants

If you are applying to the MPhil programme, please complete the two tasks below and upload them as ONE PDF document along with your other application materials. PGCE-M applicants are not required to complete these tasks.

1. A research proposal (not more than 600 words excluding references and in the form of a narrative) for an empirical study. Potential topics covered in the curriculum are outlined below at:

<https://www.educ.cam.ac.uk/courses/postgraduate/masters/themes/secondlanguage/>

2. A 500-word critique based on the following article: Teachers' beliefs about multilingualism in a course on translanguaging

<https://www.sciencedirect.com/science/article/pii/S0346251X20302736>

PLEASE NOTE: The written tasks are meant to be take-home exams for admission which should be completed independently without assistance.
