

## **Arts Creativity and Education written task**

Applicants should write a 1000 word essay addressing:

1. What is your specific commitment to the arts, the arts domains you are interested in or work in, and the specific arts communities that you belong to?
2. What is your interest in education? What work have you done as an educator and in what context have you worked with others, particularly in the arts?
3. What are your research interests? Have you completed any projects in the arts and/or education? What literature are you familiar with?

Your statement should ideally include some reference to academic writing/writers in any field/s relevant to your response to these questions.

If you have a sample of academic writing you would like to submit in order to support your application, please do so.

Please upload your response with your other application documents. We will not be able to process your application without it.

Sincerely,  
Higher Degrees Office
