

Arts, Creativities and Education written task

Applicants should write a 1000 word essay addressing:

- 1- What experience do you have of artistic research / arts practice?
- 2- What forms of education research and practice are you interested in and why?
- 3- How do you critically define 'arts', 'creativities' and 'education'? How do these areas relate to each other?

Please refer to specific literatures and examples of practices.

Your statement should ideally include some reference to academic writing/writers in any field/s relevant to your response to these questions. If you have a sample of academic writing you would like to submit in order to support your application, please do so. Please upload your response with your other application documents. We will not be able to process your application without it.

Sincerely,
