Mythology and Education
FREE one-day workshop

Greco-Roman mythology is used widely and imaginatively in teaching and outreach activities, from Early Years to Higher Education. This event, a follow-up to 2017’s Mythology and Education: History and Practice, is an opportunity to analyse the pedagogical benefits and pitfalls of teaching mythology and to share and explore effective practices and innovation within the field.

TUESDAY 18 FEBRUARY 2020 10.00am – 4.00pm
